E-Z Pipe Shaper

MODEL NUMBERS: 627, 628, 629

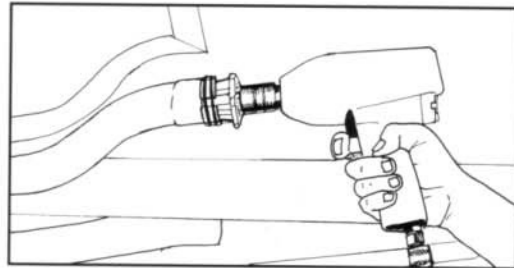

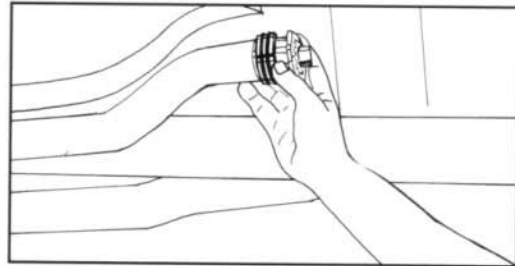

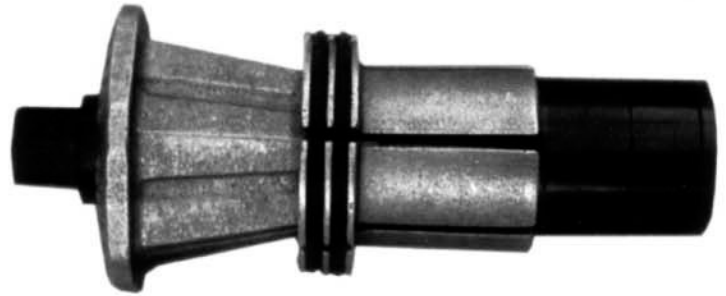

Exhaust pipe expanders

- Saves time – reshapes and expands exhaust pipe IN SECONDS.
- Removes clamp grooves, and rounds out crushed or bent exhaust pipe to assure a tight fit, eliminating exhaust leaks.
- New concept, forces imperfections outward rather than forward – this eliminates possible damage to component parts.
- Lightweight feature makes this frustrating job easy – ON OR OFF THE CAR.
- No holding fixture necessary.
- Hex end allows the technician to use an end wrench to remove clamp grooves and small imperfections, OR an impact wrench when expanding pipe.
- Three sizes available for all Cars, Trucks, and Aircraft – Foreign or Domestic.
- One-year warranty on materials and workmanship.
